

Gospel Written in the Stars

A Condensed Restoration of the Ancient Witness “The heavens declare the glory of God... Day unto day uttereth speech... Their line is gone out through all the earth”. Before Moses, before the prophets, God placed in the sky a silent, everlasting testimony of His redemptive plan— Gospel in the Stars. The ancients knew these 48 constellations (12 major signs + 36 decans) as a divine picture-book of the Seed of the woman who would bruise the serpent’s head. This is the grandeur—one blazing revelation from Genesis to Revelation. The stars proclaim the Virgin’s Son, the Cross, the Conflict, the Church, the Coming, and the Crown. It enlarges awe while keeping the Overcomer call white-hot.

But how did they know these things? Why the only possible answer is that God Himself revealed the majestic nature of this Heavenly Revelation and Universal Timeclock to Adam, or Seth, or Enoch, or...And what a marvelous revelation it is. Our recap begins with Virgo and circles to Leo, as the ancients did. Each sign, with its three decans, unfolds the drama of Christ our Redeemer. Here is a summary for your enjoyment.
